A note from Virginia Gunter:

The Exhibition Office is interested in knowing about any documentation of the exhibition and reception at City Hall made by students and/or faculty. This would include photographs, slides, film, and video. We want to obtain material for the archives and will pay costs for prints, slides, and so on, if the material is suitable. Please contact Virginia Gunter. Thank you for your cooperation!

From the Office of the President:
A letter has been sent to the President from the Assistant Director of General Services at the Children's Hospital Medical Center in regards to their open door policy for their main dining room which state the following:
"Due to the increased demand on our dining facilities we cannot continue this open door policy and still provide full access to our dining room for CHMC staff and employees.
Accordingly, it has become necessary to restrict the use of our dining room to staff and employees only between the hours of 11:30 A.M. - 1:30 P.M., Monday thru Friday."
We would appreciate your cooperation and support.
